HEALTH SCIENCE & MEDICAL TECHNOLOGY

Do you like to help people? Are you caring and compassionate? If yes, then start exploring your career options in the **Health Science & Medical Technology** pathway. This pathway introduces you to a range of health careers, including those in the dental, veterinary, emergency medical technician and nursing fields.

Go farther by continuing your education at these schools:

- Bakersfield Adult School
- Bakersfield College
- Cerro Coso College
- Porterville College
- Taft College
- CSU Bakersfield

HEALTH SCIENCE HIGHLIGHTS

Health Science includes a broad range of careers that involve planning, managing, providing therapeutic services, diagnostic services, health informatics, support services, and biotechnology research and development.¹ Approximately one-third of the fastest-growing jobs in California are health-related.²
